## **Explanation of Responses:**

1. This represents an annual award of restricted stock units to the Company's non-employee directors. Each unit represents a contingent right to receive one share of the Company's common stock upon vesting. Subject to the Reporting Person's continuous service with the Company, the restricted stock units will become 100% vested on the day prior to the Company's next annual stockholder meeting approximately one year following the date of grant. The restricted stock units will also become 100% vested if the Company is subject to a change in control before the Reporting Person's service terminates.

2. Total amount of shares beneficially owned includes shares deferred upon vesting of certain restricted stock units. The deferred shares will be settled in accordance with the terms of the deferral election.
