Explanation of Responses:

1. This represents an award of restricted stock units. Each unit represents a contingent right to receive one share of the Company's common stock upon vesting. The restricted stock units vest in four equal annual installments from the vesting commencement date of May 31, 2016, subject to the individual continuing to provide services to eHealth through the applicable vesting date. Any shares underlying the restricted stock units that vest will be settled pursuant to the terms of a deferral election.
2. Total amount of shares beneficially owned includes shares deferred upon vesting of certain restricted stock units. The deferred shares will be settled in accordance with the terms of the deferral election.
3. The option shares become vested as to 25% of the shares 1 year after May 31, 2016, subject to the individual continuing to provide services to eHealth through the applicable vesting date and 1/48th of the shares upon completion of each month of continuous service thereafter.
4. The performance-based stock option will be eligible to vest during a four-year performance period following the award's grant date based on the company's stock price trading at certain pre-determined price thresholds. Once a price threshold is achieved, the portion of the award related to that threshold will vest one year later, subject to the individual continuing to provide services to eHealth through the applicable vesting date.
