### **About eHealth, Inc.**

eHealth, Inc. (NASDAQ: EHTH) operates a leading health insurance marketplace at [eHealth.com](http://eHealth.com) and [eHealthMedicare.com](http://eHealthMedicare.com) with a technology and service platform that provides consumer engagement, education and health insurance enrollment solutions. Our mission is to connect every person with the highest quality, most affordable health insurance and Medicare plans for their life circumstances. Our platform integrates proprietary and third-party developed educational content regarding health insurance plans with decision support tools to aid consumers in what has traditionally been a confusing and opaque health insurance purchasing process, and to help them obtain the health insurance products that meet their individual health and economic needs. Our omni-channel consumer engagement platform is designed to meet the consumer wherever they prefer to engage with us, and enables consumers to use our services online, through interactive chat, or by telephone with a licensed insurance agent. We have created a marketplace that offers consumers a broad choice of insurance products that include thousands of Medicare Advantage, Medicare Supplement, Medicare Part D prescription drug, individual and family, small business and other ancillary health insurance products from over 180 health insurance carriers across all fifty states and the District of Columbia.
