

eHealth, Inc. Announces Share Repurchase Program

November 12, 2008

MOUNTAIN VIEW, CA, Nov 12, 2008 (MARKET WIRE via COMTEX News Network) -- eHealth, Inc. (NASDAQ: EHTH), the leading online source of health insurance for individuals, families and small businesses, today announced that its Board of Directors has approved a stock repurchase program authorizing the Company to purchase up to ten percent of its currently outstanding shares of common stock or \$30 million in total repurchases, whichever is less.

Purchases under the repurchase program may be made in open market or unsolicited negotiated transactions and are expected to comply with Rule 10b-18 under the Securities Exchange Act of 1934, as amended. The timing of purchases and the exact number of shares to be purchased will depend upon market conditions. The repurchase program does not require the Company to acquire a specific number of shares, and the repurchase program may be suspended from time to time or discontinued at any time. The cost of the shares that are repurchased will be funded from available working capital. Any shares repurchased under the program will be returned to the status of authorized but unissued shares of common stock.
