

eHealth, Inc. to Hold Recruitment Open House in Salt Lake City Area

May 24, 2012

eHealth, Inc. Plans to Hire Qualified Medicare Sales Representatives

SALT LAKE CITY, UT, May 24, 2012 (MARKETWIRE via COMTEX) --eHealth, Inc. is recruiting Medicare Sales Representatives for this year's Medicare Annual Enrollment Period (AEP) and will hold an open house to reach out to qualified candidates in the greater Salt Lake City area.

In anticipation of this year's Medicare AEP, which runs from October 15, 2012 to December 7, 2012, eHealth plans to hire full-time employees in June, and to hire additional seasonal employees for assignments beginning July through September 2012.

The open house will provide candidates a chance to learn more about available positions. Managers and members of the recruiting staff from the company's Utah customer care center will be on hand to answer questions and speak with candidates in person. Candidates will have the opportunity to participate in an initial screening to evaluate their qualifications, and should come prepared.

Details:

WHAT: eHealth, Inc. Recruitment Open House **WHERE:** Hilton Garden Inn/Salt Lake City/Sandy 277 W. Sego Lily Drive Sandy, UT 84070

WHEN: Thursday, May 31st, 2012, 2:00p.m. - 7:00p.m. MT

eHealth encourages applications from persons who already hold a state license to transact health insurance business. eHealth will provide new employees with Medicare training and may cover the cost of obtaining health insurance licenses for additional states.

Persons interested in learning more or applying for open positions are encouraged to contact Kyle Head at kyle.head@ehealthinsurance.com or (801) 562-4008, or review open positions at <http://www.ehealthinsurance.com/about-ehealth/careers>

About eHealth eHealth, Inc. is the parent company of eHealthInsurance, the nation's leading online source of health insurance for individuals, families and small businesses. Through the company's website, www.eHealthInsurance.com, consumers can get quotes from leading health insurance carriers, compare plans side by side, and apply for and purchase health insurance. eHealthInsurance offers thousands of individual, family and small business health plans underwritten by more than 180 of the nation's leading health insurance companies. eHealthInsurance is licensed to sell health insurance in all 50 states and the District of Columbia, making it the ideal model of a successful, high-functioning health insurance exchange. Through the company's eHealth Technology solution (www.eHealthTechnology.com), eHealth is also a leading provider of health insurance exchange technology. eHealthTechnology's exchange platform provides a suite of hosted e-commerce solutions that enable health plan providers, resellers and government entities to market and distribute products online. eHealth, Inc. also provides powerful online and pharmacy-based tools to help seniors navigate Medicare health insurance options, choose the right plan and enroll in select plans online through its wholly-owned subsidiary, PlanPrescriber.com (www.planprescriber.com) and through its Medicare website www.eHealthMedicare.com.
