Explanation of Responses:

1. This represents an annual award of restricted stock units to our non-employee directors. Each unit represents a contingent right to receive one share of the Issuer's common stock upon vesting. Subject to the Reporting Person's continuous service with the Issuer, the restricted stock units will become 100% vested on the day prior to the Issuer's next annual stockholder meeting approximately one year following the date of grant. The restricted stock units will also become 100% vested if the Issuer is subject to a change in control before the Reporting Person's service terminates.
