Explanation of Responses:

1. This represents an annual award of restricted stock units to the Company's non-employee directors. Each unit represents a contingent right to receive one share of the Company's common stock upon vesting. The restricted stock units vest in four equal quarterly installments from the vesting commencement date of June 14, 2023, subject to the individual continuing to provide services to the Company through the applicable vesting date; provided, however, that any then-unvested shares shall vest, subject to the individual's continued service through such vesting date, in full on the day immediately prior to the date of the Company's next annual stockholder meeting. The restricted stock units will also become 100% vested if the Company is subject to a change in control before the individual's service terminates.
