Explanation of Responses:

1. This represents an award of restricted stock units. Each unit represents a contingent right to receive one share of the company's common stock upon vesting. The restricted stock units vest in four equal annual installments from the vesting commencement date of June 4, 2018, subject to the individual continuing to provide services to the company through the applicable vesting date.
2. The performance-based restricted stock units will be eligible to vest during a four-year performance period following the award's grant date based on the company's stock price trading at certain pre-determined price thresholds. Once a price threshold is achieved, the portion of the award related to that threshold will vest one year later, subject to the individual continuing to provide services to the company through the applicable vesting date.
3. The performance-based stock options will be eligible to vest during a four-year performance period following the awards's grant date based on the company's stock price trading at certain pre-determined price thresholds. Once a price threshold is achieved, the portion of the award related to that threshold will vest one year later, subject to the individual continuing to provide services to the company through the applicable vesting date.
4. The stock option will vest as to 25% of the shares one year after the vesting commencement date of June 4, 2018 and 1/48th of the shares each month thereafter, subject to the individual continuing to provide services to the company through the applicable vesting date.
