Explanation of Responses:

1. This represents an award of restricted stock units to the Company's chair of the board of directors. Each unit represents a contingent right to receive one share of the Company's common stock upon vesting. Subject to the Reporting Person's continuous service with the Company, the restricted stock units will become 100% vested one year after the vesting commencement date of September 10, 2021, subject to the individual's continued service through such vesting date. In addition, the stock unit becomes 100% vested if the Company is subject to a change in control before the individual's service terminates.
