Explanation of Responses:

- This represents the achievement of stock price thresholds under performance-based restricted stock units granted on January 1, 2023. Each unit represents a contingent right to receive one share of the company's common stock upon vesting. The performance-based restricted stock units are scheduled to vest on January 31, 2024, subject to the individual continuing to provide services to the company through the vesting date.
- The performance-based restricted stock units are eligible to vest based on the company's stock price trading at certain pre-determined price thresholds during a four-year performance period following the award's grant date. Once a price threshold is achieved, the portion of the award related to that threshold will vest one year later, subject to the individual continuing to provide services to the company through the applicable vesting date.
