Explanation of Responses:

1. This represents an award of restricted stock units. Each unit represents a contingent right to receive one share of the company's common stock upon vesting. The restricted stock units vest as to 25% of the shares on one year after the vesting commencement date of November 10, 2022, and the remainder of the shares subject to this award will vest in equal quarterly installments thereafter, subject to the individual continuing to provide services to the company through the applicable vesting date.

2. This represents an award of performance-based restricted stock units. Each unit represents a contingent right to receive one share of the company's common stock upon vesting. The performance-based restricted stock units will be eligible to vest based on the company's stock price trading at certain pre-determined price thresholds during a four-year performance period following the award's grant date. Once a price threshold is achieved, the portion of the award related to that threshold will vest one year later, subject to the individual continuing to provide services to the company through the applicable vesting date.
